For Immediate Release:

January 11, 2021

Wayfinding Plan virtual public input meetings announced

The Town of Zionsville launched the [Zionsville Wayfinding Master Plan](#) to draw and direct residents and visitors passing through the area to explore amenities, attractions and businesses within the community. The plan includes a virtual survey and virtual meetings. To date, over 900 people have responded to the online survey.

Now, the Town of Zionsville invites the public to participate in a virtual meeting to review what we heard in the survey and discuss wayfinding and signage needs for Zionsville, specifically, what types of signage you would like to see and where. We are hosting two virtual public meetings (the agenda is the same for both so please register for the time that works best for you).

Option #1: Thursday, January 28, 2021 at 9 a.m.

Option #2: Thursday, January 28, 2021 at 4 p.m.

To register, visit <https://www.gettingaroundzville.com/events>. If you cannot attend either meeting, meeting information will be posted on the project website.

For questions about the Wayfinding Master Plan, contact Owen Young, Project Manager with the Town of Zionsville at (317) 495-8396 or oyoung@zionsville-in.gov.
